Re: Response to Requirement for Additional Information

Patent No. 5,689,443
Issue Date: November 18, 1997
Application No. 08/451,035
Filed: May 25, 1995

As per the attached auto-reply facsimile transmission page received April 24, 2012, this response was timely submitted along with the response for Patent No. 6,454,460. However, it appears that the response and petition was correctly processed for Patent No. 6,454,460, but not for Patent No. 5,689,443.

Please accept the attached statement under 37 CFR 3.73(b) in consideration with the previously submitted petition for reconsideration under 37 CFR 1.378(e) that was held in abeyance.

Yours truly,

Vijay Ramanathan, President
